

BSBPMG430 – Undertake project work

This Fundamentals of Project Management course (BSBPMG430 Undertake project work), is an accredited course offered by Major Training Services to government personnel who are new to working on projects.

Duration: 3 days via facilitator led Zoom delivery.

The course provides an introduction and overview of the basic concepts of project management, based upon the Project Management Body of Knowledge (PMBok). It will enable participants to gain knowledge and skills to deliver results on time and on budget, develop a project plan and prepare a business case to deliver an effective project.

The five elements of project management covered in this course are:

- Introduction to project management
- Initiation phase
- Development phase
- Implementation phase
- Finalisation phase

Entry Requirements to address Language, Literacy and Numeracy (LLN)

It is a requirement that learners wishing to enrol onto the BSBPMG430 Undertake project work course must first satisfy the MTS entry requirements, as follows:

- Prior completion of a Certificate IV level qualification or higher in English (copy of certificate to be provided with enrolment form) and

If a learner has not completed at minimum, a Cert IV level qualification in the past, MTS will need to request the learner to complete an on-line LLN assessment prior to accepting an enrolment. This is required because MTS cannot assume a learner's LLN level.
